

Anti-Bullying Policy

Anti-bullying policy 2017

1. In accordance with the requirements of the Education (Welfare) Act 2000 and the code of behaviour guidelines issued by the NEWB, the Board of Management of St Malachy's BNS school has adopted the following anti-bullying policy within the framework of the school's overall code of behaviour. This policy fully complies with the requirements of the Anti-Bullying Procedures for Primary and Post-Primary Schools which were published in September 2013.

2. The Board of Management recognises the very serious nature of bullying and the negative impact that it can have on the lives of pupils and is therefore fully committed to the following key principles of best practice in preventing and tackling bullying behaviour:

- *A positive school culture and climate which:
is welcoming of difference and diversity and is based on inclusivity;
encourages pupils to disclose and discuss incidents of bullying behaviour in a non-threatening environment; and promotes respectful relationships across the school community;*
- *Effective leadership:
-The BOM has overall responsibility to ensure that this policy is effective, sustainable and measured. The BOM must ensure that accountability is of the highest standard and frequently appraise the outcomes of the strategies and measures contained within the policy
-The Principal of St. Malachy's Boys' National School, as key leader, strongly influences attitudes and sets standards in relation to dealing with bullying
-Teachers must act as good role models and not misuse authority, but be fair, clear and consistent in their disciplinary measures.*
- *A school-wide approach;
- A whole community approach to the problem of bullying is required and St. Malachy's Boys' School community comprises of management, teachers, non-teaching staff, pupils, parents/guardians
- Beyond the school community, bullying behaviour may extend to outside of school. Where this negatively impacts on a school - parents and pupils have a responsibility to support the school in helping to address the issue. This applies particularly (but not exclusively) to cyber bullying.
- The assistance of Gardaí, Tusla and Community Workers may be required in some cases
- Collective vigilance is needed throughout the whole school/community sector to identify and deal with issues around bullying in a fair and equitable manner*
- *A shared understanding of what bullying is and its impact;
St. Malachy's Boys' School endeavours to put in place appropriate systems to ensure that ALL relevant members of the school community (parents, pupils, staff and the wider community) have a shared understanding of what constitutes bullying behaviour as defined in this policy*
- *Implementation of education and prevention strategies (including awareness raising measures) that-
-build empathy, respect and resilience in pupils

-explicitly address the issues of cyber-bullying and identity-based bullying including in particular, homophobic and transphobic bullying.*
- *Effective supervision and monitoring of pupils;
- Staff members have a distinct responsibility to ensure that supervision of pupils in class is effective and consistent
- Supervision in playground areas must be managed and conducted effectively, with particular attention given to 'hot spots' or 'hot times' eg arrival & dismissal
- The lollipop man is a significant support in addressing and identifying potential bullying scenarios
- Office Staff are well placed to inform if any behaviour which may constitute bullying is noticed*
- *Supports for staff;*

- *Regular discussion and review of policy and procedures is essential to support staff on a continuous basis*
- *All staff must have a uniform interpretation of what is expected in relation to bullying, how to identify possible bullying behaviours, how to manage disclosures and how to deal effectively with incidents of bullying within the classroom context*
- *Staff must be aware that supporting one another is a key aspect of prevention and new/inexperienced members of staff must be given every opportunity to discuss concerns and model best practice*
- *CPD in relation to Anti Bullying Strategies will be supported and encouraged for all members of staff*

- *Consistent recording, investigation and follow up of bullying behaviour (including use of established intervention strategies); and*

- *On-going evaluation of the effectiveness of the anti-bullying policy.*

3. Definition : *In accordance with the Anti-Bullying Procedures for Primary and Post-Primary Schools bullying is defined as follows:*

Bullying is unwanted negative behaviour, verbal, psychological or physical conducted, by an individual or group against another person (or persons) and which is repeated over time.

The following types of bullying behaviour are included in the definition of bullying:

- *deliberate exclusion, malicious gossip and other forms of relational bullying,*
- *cyber-bullying and*
- *identity-based bullying such as homophobic bullying, racist bullying, bullying based on a person's membership of the Traveller community and bullying of those with disabilities or special educational needs.*

Isolated or once-off incidents of intentional negative behaviour, including a once-off offensive or hurtful text message or other private messaging, do not fall within the definition of bullying and should be dealt with, as appropriate, in accordance with the school's code of behaviour.

However, in the context of this policy, placing a once-off offensive or hurtful public message, image or statement on a social network site or other public forum where that message, image or statement can be viewed and/or repeated by other people will be regarded as bullying behaviour.

Negative behaviour that does not meet this definition of bullying will be dealt with in accordance with the school's code of behaviour.

Additional information on different types of bullying is set out in Section 2 of the Anti-Bullying Procedures for Primary and Post-Primary Schools and can be seen in appendix A.

The teacher should keep informal notes of the progress of the investigation and these should be stored in a secure manner.*

At the group meeting, each member will be asked for his/her account of what happened to ensure that everyone in the group is clear about each other's statements.*

12. Each member of a group will be supported through the possible pressures that they may face them from the other members of the group after interview by the teacher.
