## 6<sup>th</sup> Class

18/05/20 – 22/05/20

- This is the outline schoolwork for this week.
- All work, including Seesaw activities, can be completed in your copy or on a page if you prefer.
- Try to self-correct, using the teacher's answers on Seesaw, before posting your work.
- Posting your work on Seesaw is a great way for teachers to see how you are doing and to get help. Log-in as much as you can!
- If having difficulty using Seesaw, complete the textbook activities. Parents can email the class teacher to let us know how you are getting on.
- Parents, remember this is only a guide. Do what is best for your child!
