

## St. Malachy's Boy's NS Virtual Sports Week 2020

As we near the end of the final term, we all know that Sports Day is a day that many children, parents and also teachers look forward to. Sadly, this year none of us and in particular the children, will get the opportunity to enjoy this special day - as we know it. With that said, we want to provide the opportunity of bringing the fun and excitement of sports day to the homes of all the boys in the school and therefore we are delighted to announce the launch of "The St. Malachy's Boys NS Virtual Sports Week 2020"; which will run from Tuesday 2<sup>nd</sup> of June to Friday 5<sup>th</sup>.

During this week, events and football skill challenges as well as information on each event and challenge including a step by step guide, photographs and videos, will be displayed daily on the school website and Seesaw for the children to practice, perform and more importantly have fun doing so.

Please feel free to send photos and videos of the boys participating in the various events through-out the week. We would love to see the boys having fun and taking part in the first ever St. Malachy's Boys NS Virtual Sports Week. Below are some personal messages of support to our boys from Dundalk FC captain Brian Gartland and 5 time Dublin All-Ireland winning footballer Jack McCaffrey; two of Ireland's most famous and talented sports stars...

Good luck boys!!
